In its first two years of production, Dario Fo's controversial farce, *Accidental Death of an Anarchist*, was seen by over half a million people. It has since been performed all over the world and is widely recognised as a classic of modern drama. A sharp and hilarious satire on political corruption, it concerns the case of an anarchist railway worker who, in 1969, 'fell' to his death from a police headquarters window.

This version of the play was premiered in London in 2003.

Commentary and notes by Joseph Farrell.
