Dubliners

James Joyce

Dubliners James Joyce

James Joyce's pivotal collection of fifteen short-stories is lovingly presented in this quality edition.

Dubliners is a realistic and unique perspective on Irish middle-class life in the early 20th century, offering a depth of honesty and firsthand experience absent from the history books. Through these stories, Joyce explores much more than a historical representation of Irish life, however. His skill at transforming the human experience into narrative form gives the characters in these short tales a life that transcends their time and place.
