Eternity's End

Jeffrey A. Carver

Eternity's End Jeffrey A. Carver

When Renwald Legroeder escapes from the stronghold of the Kyber pirates, he becomes the focal point of an age-old conspiracy. Returning home, he tells of his sighting of the long-lost phantom ship Impriss, and his subsequent capture by the Kyber. But accused of collaboration with the pirates, his only hope for vindication is a journey in the company of amphibious alien riggers on a suicide mission. Chaos theory says outcomes are unpredictable, but heres one thats a sure thing: if you start reading The Infinite Sea, you wont be able to put it down until the very last page. ~ Robert J. Sawyer
