Introducing English Semantics

Charles W. Kreidler

Introducing English Semantics Charles W. Kreidler

Introducing English Semantics is a comprehensive and accessible introduction to the study of meaning.

Charles W. Kreidler presents the basic principles of this discipline. He explores how languages organize and express meanings through words, parts of words and sentences.

Introducing English Semantics:

- * deals with relations of words to other words, and sentences to other sentences
- * illustrates the importance of 'tone of voice' and 'body language' in face-to-face exchanges, and the role of context in any communication
- * makes random comparisons of features in other languages
- * explores the knowledge speakers of a language must have in common to enable them to communicate
- * discusses the nature of language; the structure of discourse; the distinction between lexical and grammatical meaning
- * examines such relations as synonymy, antonymy, and hyponymy; ambiguity; implication; factivity; aspect; and modality

Written in a clear, accessible style, *Introducing English Semantics* will be an essential text for any student following an introductory course in semantics. Assuming no prior knowledge of linguistics, all technical terms are clearly defined in an accompanying glossary and active participation is encouraged through numerous exercises.

From reader reviews:

Nicole Marcil:

Inside other case, little folks like to read book Introducing English Semantics. You can choose the best book if you love reading a book. So long as we know about how is important some sort of book Introducing English Semantics. You can add know-how and of course you can around the world by a book. Absolutely right, because from book you can learn everything! From your country until finally foreign or abroad you will be known. About simple thing until wonderful thing you may know that. In this era, we can easily open a book as well as searching by internet product. It is called e-book. You can utilize it when you feel bored stiff to go to the library. Let's learn.

Robert Grant:

As we know that book is vital thing to add our knowledge for everything. By a book we can know everything we want. A book is a list of written, printed, illustrated or maybe blank sheet. Every year had been exactly added. This publication Introducing English Semantics was filled regarding science. Spend your spare time to add your knowledge about your technology competence. Some people has diverse feel when they reading any book. If you know how big selling point of a book, you can sense enjoy to read a book. In the modern era like currently, many ways to get book that you wanted.

Jose Johnson:

As a college student exactly feel bored for you to reading. If their teacher questioned them to go to the library or make summary for some publication, they are complained. Just very little students that has reading's internal or real their passion. They just do what the educator want, like asked to go to the library. They go to there but nothing reading really. Any students feel that examining is not important, boring and can't see colorful images on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this Introducing English Semantics can make you feel more interested to read.

Minnie Weiner:

What is your hobby? Have you heard that will question when you got students? We believe that that problem was given by teacher for their students. Many kinds of hobby, Everyone has different hobby. And also you know that little person including reading or as reading become their hobby. You need to understand that reading is very important in addition to book as to be the thing. Book is important thing to incorporate you knowledge, except your own teacher or lecturer. You find good news or update concerning something by book. Numerous books that can you go onto be your object. One of them is Introducing English Semantics.
