## The Words and Music of Neil Young (The Praeger Singer-Songwriter Collection) Ken Bielen

Neil Young cannot be simply labeled. He has recorded as a solo artist, as a member of a hard rock trio, and with numerous other musician configurations. He can move from the soft sounds of early 1970s acoustic folk to the distorted, fuzz guitar sound of Crazy Horse. And his compositions have responded to musical trends from punk rock to grunge, and to social issues like racism, the Vietnam War, and the war in Iraq as well. *The Words and Music of Neil Young* follows the evolution of Young's musical work from the late 1960s to the present, with special focus on the enduring elements that have made his music successful.

Individual chapters cover Young's musical output album by album, and song by song?from his debut work with Buffalo Springfield, to his time with Crosby, Stills, Nash & Young, to his solo work within various genres and for various causes (some political, but all artistic). In his conclusion, author Ken Bielen sums up Neil Young's accomplishments and places his work in the context of contemporary culture.

#### **Leonard Palmer:**

As a college student exactly feel bored for you to reading. If their teacher expected them to go to the library or make summary for some e-book, they are complained. Just very little students that has reading's heart or real their interest. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that examining is not important, boring as well as can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this The Words and Music of Neil Young (The Praeger Singer-Songwriter Collection) can make you really feel more interested to read.
