Driven by spell-inspired jealousy and fear, prince fights prince, while around them the very land begins to die, poisoned by a sorcerous force sworn to annihilate the humans whose ancestors had driven the Sithi from their rightful home long ages ago. Only a small, scattered group, the League of the Scroll, recognizes the true danger faced by Osten Ard, only they hold the knowledge of times past, of threats fulfilled, and of a riddle of swords, which holds out the one small hope of salvation. And to Simon - unknowingly apprenticed to a member of this League, and unwittingly touched by magic both good and ill - will go the task of spearheading the search for the solution to this riddle of long-lost swords of power, a quest that will see him fleeing and facing enemies straight out of a legend-maker's worst nightmare!
