Everyone at Santorella Publications is extremely sensitive to the costly demands placed on piano teachers and their tenacious students. With this in mind, we decided to publish a series of Christmas sheets for easy piano with only those specific titles that you and/or your student(s) have decided to perform for their holiday concert, recital or maybe just for family and friends. Rather than purchase a large “costly” collection of songs that you may or may not have the opportunity to perform this year, we have provided an inexpensive alternative. For just \$4.95, you can buy just that one, two or three songs that you truly want to learn this holiday season. That’s three songs for the price of one! Each arrangement derives from our best selling Christmas songbook, *The Best Of Christmas For Easy Piano* by Craig Stevens which is also available with or without a performance CD. If cost is not an issue and you’d like to buy this fantastic collection, be our guest, but if a big songbook is not in the budget this year, that’s quite alright. Why not choose only those titles you’ve settled on for your Christmas performance? Here’s your chance to learn Jingle Bells, Silver and Gold & Away in The Manger published by Santorella Publications. Be sure to review our entire list of Christmas songs available for easy piano & yes, every one includes lyrics to sing along. Merry Christmas! Look at all the great Christmas sheets to choose from: (TS301 – TS313) O Come All Ye Faithful, Deck the Halls, The Snow Lay on the Ground • I Saw Three Ships, Hark!
