PENNY WISE (Book 3 in the Windy City Neighbors series) introduces us to yet another family in "the neighborhood"-the Jaspers, busy with demanding jobs, busy with church, busy volunteering, parents of three active teenagers, juggling sometimes crazy schedules. All good things. Until all those "good things" feed into a series of crises that affects the whole family. Something's gotta change!

PENNY WISE is a contemporary peek at an urban family wrestling with the spiritual and practical challenges of real life. The series employs the innovating storytelling technique of "parallel novels," each with its own drama and story arc, but whose characters' lives become intertwined with their neighbors and affect one another. Welcome to Beecham Street-a typical, isolated American neighborhood that is beginning to come out of its shell . . . for better or worse.
