ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

Used or rental books

If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

From reader reviews:

Sam Holmes:

What do you regarding book? It is not important along with you? Or just adding material when you want something to explain what the one you have problem? How about your extra time? Or are you busy man? If you don't have spare time to do others business, it is give you a sense of feeling bored faster. And you have extra time? What did you do? All people has many questions above. They must answer that question mainly because just their can do that will. It said that about guide. Book is familiar in each person. Yes, it is proper. Because start from on kindergarten until university need this specific MasteringChemistry with Pearson eText -- Standalone Access Card -- for Conceptual Chemistry (5th Edition) to read.

Wesley Powell:

Information is provisions for individuals to get better life, information these days can get by anyone at everywhere. The information can be a understanding or any news even an issue. What people must be consider while those information which is from the former life are challenging be find than now could be taking seriously which one would work to believe or which one typically the resource are convinced. If you obtain the unstable resource then you have it as your main information there will be huge disadvantage for you. All of those possibilities will not happen throughout you if you take MasteringChemistry with Pearson eText -- Standalone Access Card -- for Conceptual Chemistry (5th Edition) as your daily resource information.

Tammy Mangold:

Playing with family inside a park, coming to see the sea world or hanging out with close friends is thing that usually you will have done when you have spare time, subsequently why you don't try issue that really opposite from that. One particular activity that make you not feeling tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of information. Even you love MasteringChemistry with Pearson eText -- Standalone Access Card -- for Conceptual Chemistry (5th Edition), you can enjoy both. It is great combination right, you still want to miss it? What kind of hang-out type is it? Oh occur its mind hangout men. What? Still don't understand it, oh come on its referred to as reading friends.

Sebrina Knapp:

What is your hobby? Have you heard that will question when you got pupils? We believe that that concern was given by teacher with their students. Many kinds of hobby, Everybody has different hobby. And also you know that little person similar to reading or as reading become their hobby. You need to understand that reading is very important and also book as to be the matter. Book is important thing to increase you knowledge, except your current teacher or lecturer. You find good news or update concerning something by book. Different categories of books that can you choose to adopt be your object. One of them is actually MasteringChemistry with Pearson eText -- Standalone Access Card -- for Conceptual Chemistry (5th

Edition).
