Developing a sound, evidence-based plan may seem like a daunting task, but it doesn't have to be. In this first edition of "Samples for Success: Life Care Plans from Practicing Life Care Planners," readers can access over nine different injury or illness categories. The author doesn't provide just one sample, but rather 25 redacted life care plans by practicing life care planning professionals. New life care planners as well as the experienced will find this book to be an invaluable asset to their life care planning practices. In addition to complete sample life care plans, contributors candidly share the emotional highs and lows of litigation. With stories of limited access to the injured party to the "kick-me" moments of testimony, this book shares the in-the-trenches experiences of the life care planner associated with each case. To top it off, readers have access to 10 Curricula Vitae (CV) examples provided by each contributor and a plethora of research references and resources.
