Raymond L. Hogler

The End of American Labor Unions: The Right-to-Work Movement and the Erosion of Collective Bargaining Raymond L. Hogler

By examining the history of the legal regulation of union actions, this fascinating book offers a new interpretation of American labor-law policy?and its harmful impact on workers today.

- Provides a unique interpretation of labor law from a multidisciplinary perspective that encompasses history, politics, economics, culture, and psychology
- Considers the role organized labor played in creating the American middle class and what role it might play in the future
- Shows the adverse consequences of the contemporary right-to-work movement
- Examines the politicized nature of law in America
- Offers recommendations for political action to restore union vitality
