Blind Memory: Visual Representations of Slavery in England and America 1780-1865

Marcus Wood

Blind Memory: Visual Representations of Slavery in England and America 1780-1865 Marcus Wood

Throughout this important volume, the author underscores two vital themes: one, that visual presentation of slavery in England and America has been utterly dishonest to its subject, and the other a meditation on whether the ruptures of the slave experience - middle passage, bondage, and torture -- can be adequately represented and remembered.
