Let Your Heart Drive Karli Rush

I live in the shelter of darkness.

This darkness holds a secret over me... one that I have come to protect and in return it controls and holds me back.

It's time to start fighting against it and break free. To become the unrestricted woman I yearn to be. For this to happen it will take a sixteen hundred mile road trip to let go of all that I fear and hopefully discover that the darkness doesn't lurk everywhere. I stand on the edge overlooking a horizon of possibilities for the first time. Will I let my heart drive... to where it needs to be?

A unique romantic tale of one girl, one road, and a chance meeting with someone that will change everything in every way.
