Samuel Johnson

Samuel Johnson: The Major Works (Oxford World's Classics) Samuel Johnson

Samuel Johnson's literary reputation rests on such a varied output that he defies easy description: poet, critic, lexicographer, travel writer, essayist, editor, and, thanks to his good friend Boswell, the subject of one of the most famous English biographies.

This volume celebrates Johnson's astonishing talent by selecting widely across the full range of his work. It includes "London" and "The Vanity of Human Wishes" among other poems, and many of his essays for the *Rambler* and *Idler*. The prefaces to his edition of Shakespeare and his famous Dictionary, together with samples from the texts, are given, as well as selections from *A Journey to the Western Islands of Scotland*, the *Lives of the Poets*, and *Rasselas* in its entirety. There is also a substantial representation of lesser-known prose, and of his poetry, letters, and journals.

This edition represents the single most comprehensive anthology of Johnson's works. With a new, modern package this is an invaluable classic to add to your collection.

About the Series: For over 100 years **Oxford World's Classics** has made available the broadest spectrum of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, voluminous notes to clarify the text, up-to-date bibliographies for further study, and much more.
