The Ice Queen (The Dark Queens Book 3) Jovee Winters

Long ago, tragedy struck and turned a young woman into the ice queen of legend...

Evil has come to Luminesa's forest. The Goblin has stolen three innocents and thrust them into a violent and terrible time loop - in her own lands. And the only way to save them is to go to them herself. But there's a problem, because the moment Luminesa steps foot inside that magicked place she too will get sucked into the Goblin's nefarious scheme. Freedom can only be had if she can figure out the riddle of the key, and she only has one month to try. Failure means death for them all.

There is absolutely no time or room for romance, but that's exactly what happens when she first sets eyes on the centaur male, Alador. Luminesa's been burned in love before, nearly losing her life to the hands of a crazed male she'd once thought a friend. Since that night she's hated men, all men, no matter what form they come in. But Alador is different, kind, gentle...with soulful green eyes that seem to peer through the icy veil of her legend to see the real woman beneath. His touch makes her burn, and his kisses make her feel alive again.

Luminesa will do everything in her power, to make sure they all leave there alive. Even if that means killing anything that stands in her way...
