700 Best Kindle Fire Apps: Including the Top 500+ Free Apps! Steve Weber

This book highlights the best Kindle apps available, free and paid, in every category.

.
Speaking of FREE, do you enjoy free Kindle books? Then head over to **KindleBuffet.com**, where you'll find a daily list of free and discounted five-star Kindle books.

.
Amazon's Kindle Fire is a very affordable tablet computer offering an unbeatable combination of utility, value and features. Your ultimate tablet experience is just one step away - selecting the applications, or apps, that provide exactly the entertainment, education, and functionality you desire. And that's where this guide will help you: finding the gems in Amazon's App Store.

The App Store contains a breathtaking array of games, entertainment, utilities, and tools. Even though there are more than 700 apps described in this book, the bar was set very high--only a small percentage of the available apps are profiled here. Only those apps that deliver outstanding functionality - and whose developers have demonstrated a serious commitment to their customers - have made it into this reference guide.

Nobody enjoys spending time weeding through apps that don't deliver the promised features (or contain hidden features you'd rather not have installed on your Kindle Fire). So what are you waiting for? Let's get started!
