There is something erogenous about being bent over and feel a firm swat against the bottom. The ladies in these stories have a huge submissive streak, and love being dominated by alpha males.

White Girl Spanked:

Why does he not want me? Am I not hot enough anymore?

These are the questions that Tiffany asks herself every day, because her husband, Andrew, has become mean and neglectful to her sexual needs. When their new neighbors down the street are playing music loudly on a Friday night, Andrew cowardly sends Tiffany over in the middle of the night to tell them to cut it down.

Tiffany would rather ride Andrew like a cowgirl and let the neighbors live in peace, but grumpy Andrew isn't having it .

Shy little horny Tiffany tip toes into the neighbors back yard to politely ask them to cut down the volume. She's taken aback, because in that party is a group of the sexiest, muscle bound black men she's seen in her life. That, along with their shiny motorcycles make Tiffany's kitty meow.

When they see her round, plump white girl tush, these handsome men have other ideas for little Tiffany, and she has other ideas for them. Will horny little Tiffany forget all about the music and jump their bones? Just HOW red will her round, curvy ass get after being bent over their motorcycles and spanked?

WARNING! Mature audiences only. This 4,000 word raunchy story features group sex, gangbang erotica, oral sex, spanking, spanking and MORE spanking, sexy humiliation, exhibitionism, voyeurism, domination and submission, self pleasure and so much more!

EXCERPT:

The man in the cutoff shirt laughed.

"A feisty one, I like that," he said.

"No, baby. I like my music. What I want you to do is come over here and let me spank you like your husband isn't doing."

Tiffany's heart sped up. Nothing excited her more than a nice hard swat on her bare ass. She gulped, not knowing what to say.

"Oh, she liked that idea," the baldheaded man said.

"Yeah, I know she did. I like that smart mouth, but I'm going to teach her a lesson about that. Come on over here, sweetheart, so I can spank your slutty little ass in front of everybody," the man in the cutoff shirt said.

The smooth aggressiveness in which he addressed her made Tiffany's pussy quiver. That's the Alpha Male shit she had been missing in her life. Before she even thought about it, her feet were carrying her in the

direction of the motorcycle riders. As she approached the man in the cutoff shirt, he held his hand out and stopped her.

“Hold on. I’m no bully. You gotta ask me to spank you,” he said.

With that, he sat down on his shiny metallic motorcycle and looked at her expectantly. All four of them were waiting for Tiffany’s response.

“Will you spank me?” she asked.

Spank Me, Governor:

When Janet, a 22-year-old college intern is summonsed to the governor's hotel room while working on his election campaign, she has no idea what to expect.

He makes his intentions clear, and before Janet knows it, she's taken by the most powerful man in the state.

Warning! This story is HOT. Only intended for readers who want to be turned on.

Excerpt:

Silence filled the room. Janet’s eyes wandered to her glass, as though she were looking for something inside of it.

“See, too honest for you,” the governor said.

Just as Janet was about to disagree for the sake of disagreeing, she felt the rugged bristle of a man’s 5 o’clock shadow against her cheek, and soft, full lips pressed against hers. The shaking in her leg picked up, startled by the electric energy of a first kiss.

The governor broke the kiss and then looked Janet in her eyes, to get a read on her reaction. He found no objection on her face.

He took that as a green light.

Before Janet knew it, the drink was gone from her hand and she was looking up at the hotel ceiling, the governor’s muscular body weighing on her small frame, his lips and tongue finding the weak spots in her neck and ear.
