Stupid Jokes, Short Funny Jokes and Funny One Liners - Pas Deux: The World is Weird (Jokes for All Occasions Book 3) Ricky Gravitas

Another voyage into the weird and strange world of Stupid Jokes, Short Funny Jokes and Funny One Liners by Ricky Gravitas.

In this edition, the weary world traveller has collected jokes from all areas of the globe. Travel broadens the mind, making it easier for all your thoughts to fall out.

There are jokes to make you think.

Has anybody opened Schrodinger's grave to see if he is in there?

Jokes that are sharp and cut.

My girlfriend finds me so unattractive that she spikes her own drinks.

Jokes from people who need to be excluded from the gene pool.

I like to tape my thumbs to my hands to see what it would be like to be a dinosaur.

Jokes of weird wisdom. I can't find any at the moment but I am sure they are there.

Humor is so very personal. One man's grist is another man's grill. Or something like that. Jokes can enlighten, illuminate, cut, segregate, or scar.

Ricky is feeling his age, he says. A bit bitter and twisted this time around. Travelling the world can do that to you. As he says, "Political correctness is only considered in all the places that don't need it." He fears for the navel gazing of Western society, while so much of the rest of the world just gets on with the job of getting through the day.

The jokes are sharper in this book. Ricky got out of the wrong side of bed the days he was writing this. As he says, "I went to a cosmetic brain surgeon. He made me look smarter."
