Maddy Spier has been in love with the boy next door forever. As his figure-skating partner she spends time in his arms every day. But she's also seen his arms around other girls - lots of other girls. Gabe can't imagine skating with anyone but Maddy, and together they have a real chance at winning some serious gold medals. So he's determined to keep thinking of her like a sister. After all, he's never had a romantic relationship that lasted for more than two weeks. But when their coach assigns a new romantic skating program, everything changes. Will this be the big break that Maddy's been hoping for or the big break-up that Gabe has always feared?
