The Fifth Vial Michael Palmer

From the blockbuster, eleven-time *New York Times* bestselling author comes a novel of medical suspense that begins with these chilling questions: Who ends up with the blood samples you routinely give for tests? What else are they being used for? Why don't you know?

Take a Deep Breath. . . .

In Boston, a disgraced medical student is sent to deliver a research paper that could save her career. . . . Four thousand miles away, in a jungle hospital in Cameroon, a brilliant, reclusive scientist, dying from an incurable disease that threatens to make each tortured breath his last, is on the verge of perfecting a serum that could save millions of lives, and bring others inestimable wealth. . . . In Chicago, a disillusioned private detective, on the way to his third career, is hired to determine the identify of a John Doe, killed on a Florida highway, with mysterious marks on his body.

Three seemingly disconnected lives, surging unrelentingly toward one another. Three lives becoming irrevocably intertwined. Three lives in mounting peril, moving ever closer to the ultimate confrontation against a deadly secret society with godlike aspirations and roots in antiquity.

Medical student. Scientist. Private eye. Three people who will learn the deeper meanings of brilliance and madness, truth and deception, trust and betrayal.

Three lives linked forever by a single vial of blood--the fifth vial.

From reader reviews:

James Stumbaugh:

Why don't make it to be your habit? Right now, try to ready your time to do the important act, like looking for your favorite publication and reading a reserve. Beside you can solve your condition; you can add your knowledge by the guide entitled The Fifth Vial. Try to the actual book The Fifth Vial as your buddy. It means that it can to be your friend when you feel alone and beside those of course make you smarter than ever before. Yeah, it is very fortunate to suit your needs. The book makes you much more confidence because you can know anything by the book. So , let's make new experience along with knowledge with this book.

Dorothy Walker:

As people who live in the actual modest era should be upgrade about what going on or facts even knowledge to make all of them keep up with the era that is certainly always change and move forward. Some of you maybe will certainly update themselves by reading books. It is a good choice to suit your needs but the problems coming to you actually is you don't know what kind you should start with. This The Fifth Vial is our recommendation to help you keep up with the world. Why, since this book serves what you want and need in this era.

Cynthia Campbell:

Information is provisions for individuals to get better life, information these days can get by anyone on everywhere. The information can be a expertise or any news even a huge concern. What people must be consider when those information which is inside the former life are difficult to be find than now is taking seriously which one is acceptable to believe or which one the particular resource are convinced. If you have the unstable resource then you understand it as your main information you will have huge disadvantage for you. All those possibilities will not happen within you if you take The Fifth Vial as the daily resource information.

Thomas Crittenden:

As a scholar exactly feel bored to be able to reading. If their teacher asked them to go to the library or even make summary for some reserve, they are complained. Just very little students that has reading's internal or real their interest. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading really. Any students feel that studying is not important, boring and can't see colorful pics on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this The Fifth Vial can make you really feel more interested to read.
