The New World Reader

Gilbert H. Muller

The New World Reader Gilbert H. Muller

With compelling selections by some of the world's most respected and critically acclaimed writers, THE NEW WORLD READER, Fourth Edition, encourages exploration of the significant global challenges of the 21st century. Students gain a deeper understanding of the topics that affect their lives, such as the challenges and consequences of globalization, global warming, bilingual education, and redefined gender roles. Challenged by such notable contemporary thinkers and writers as Elie Wiesel, Fareed Zakaria, Richard Rodriguez, Edwidge Danticat, and Jane Goodall, students develop their reading and critical-thinking skills. A consistent pedagogical apparatus includes brief chapter introductions, author headnotes, and pre-reading questions that offer students a preview of the central theme in each section. Exercise sets follow each essay, providing for deeper writing, reading, and discussion opportunities.
