Character Matters!: Raising Kids with Values That Last John Yates, Susan Alexander Yates

Strong, firm character does not develop automatically. This book helps families set and achieve the goals necessary for developing eight essential character traits: integrity, faith, a teachable spirit, a servant's heart, self-discipline, joy, compassion, and courage.

The Yateses use stories and practical examples from their lives and the lives of their five children to show how character can be purposefully cultivated through the normal, daily events in life. With refreshing honesty, they share how parents and children can grow together in these qualities. *Character Matters!* includes focus questions and three appendices, including a leader's guide for group study.

From reader reviews:

Marie Flynt:

What do you concentrate on book? It is just for students because they are still students or this for all people in the world, what the best subject for that? Merely you can be answered for that problem above. Every person has distinct personality and hobby for each and every other. Don't to be pushed someone or something that they don't would like do that. You must know how great along with important the book Character Matters!: Raising Kids with Values That Last. All type of book is it possible to see on many options. You can look for the internet methods or other social media.

James Gabriel:

As people who live in the particular modest era should be upgrade about what going on or data even knowledge to make all of them keep up with the era that is certainly always change and make progress. Some of you maybe may update themselves by examining books. It is a good choice for you personally but the problems coming to anyone is you don't know which you should start with. This Character Matters!: Raising Kids with Values That Last is our recommendation to help you keep up with the world. Why, as this book serves what you want and wish in this era.

Barbara Simon:

Precisely why? Because this Character Matters!: Raising Kids with Values That Last is an unordinary book that the inside of the e-book waiting for you to snap the idea but latter it will jolt you with the secret the idea inside. Reading this book adjacent to it was fantastic author who write the book in such incredible way makes the content inside of easier to understand, entertaining approach but still convey the meaning entirely. So , it is good for you because of not hesitating having this any longer or you going to regret it. This book will give you a lot of positive aspects than the other book possess such as help improving your talent and your critical thinking means. So , still want to hold off having that book? If I have been you I will go to the guide store hurriedly.

Herman Jenkins:

As a pupil exactly feel bored for you to reading. If their teacher inquired them to go to the library or make summary for some e-book, they are complained. Just very little students that has reading's heart and soul or real their interest. They just do what the educator want, like asked to the library. They go to there but nothing reading really. Any students feel that reading is not important, boring and also can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this Character Matters!: Raising Kids with Values That Last can make you really feel more interested to read.
