The End of the World As We Know It Iva-Marie Palmer

They wanted to party like it was their last night on earth. They just might get their wish....

Meet the four most unlikely heroes ever:

Teena McAuley: Queen Bee, first-class problem solver, resident heartbreaker.

Leo Starnick: UFO conspirator, pizza delivery boy, all-around slacker.

Evan Brighton: Baseball all-star, extreme virgin, Teena-worshipper.

Sarabeth Lewis: Straight-A student, weekend hermit, enemy of the color pink.

When Teena locks Leo, Evan, and Sarabeth in the basement during her biggest party of the year, she doesn't plan on getting trapped in the Loser Dungeon (as she so names it) herself. She can barely imagine a night with these dweebs—let alone a lifetime. But when an alien invasion destroys their entire Midwestern suburb, it looks like these unlikely friends are the last people on earth. Now, it's up to them to save the world....

From reader reviews:

Darrell Fowler:

The reason? Because this The End of the World As We Know It is an unordinary book that the inside of the guide waiting for you to snap that but latter it will distress you with the secret the idea inside. Reading this book beside it was fantastic author who write the book in such amazing way makes the content inside easier to understand, entertaining approach but still convey the meaning totally. So , it is good for you for not hesitating having this ever again or you going to regret it. This amazing book will give you a lot of gains than the other book get such as help improving your skill and your critical thinking means. So , still want to hold up having that book? If I had been you I will go to the book store hurriedly.

Fred Ashman:

Beside this kind of The End of the World As We Know It in your phone, it could give you a way to get more close to the new knowledge or info. The information and the knowledge you may got here is fresh from your oven so don't end up being worry if you feel like an aged people live in narrow town. It is good thing to have The End of the World As We Know It because this book offers to you personally readable information. Do you oftentimes have book but you do not get what it's all about. Oh come on, that will not end up to happen if you have this within your hand. The Enjoyable agreement here cannot be questionable, such as treasuring beautiful island. Use you still want to miss the idea? Find this book in addition to read it from now!

David Clark:

That e-book can make you to feel relax. That book The End of the World As We Know It was vibrant and of course has pictures on the website. As we know that book The End of the World As We Know It has many kinds or style. Start from kids until teenagers. For example Naruto or Investigation company Conan you can read and think you are the character on there. So , not at all of book are generally make you bored, any it offers up you feel happy, fun and chill out. Try to choose the best book in your case and try to like reading that.

Kathryn Cortez:

A lot of publication has printed but it takes a different approach. You can get it by net on social media. You can choose the most beneficial book for you, science, comedy, novel, or whatever by simply searching from it. It is referred to as of book The End of the World As We Know It. You can add your knowledge by it. Without causing the printed book, it could possibly add your knowledge and make you actually happier to read. It is most critical that, you must aware about publication. It can bring you from one place to other place.
