The House of Cromwell: A Genealogical History of the Family and Descendants of the Protector (Classic Reprint) James Waylen

Excerpt from The House of Cromwell: A Genealogical History of the Family and Descendants of the Protector

In order to render Mr. Waylen's book more complete and interesting to the general reader, the Publisher has decided to prefix a new chapter designed to trace as far back as possible the family from which the Great Protector derived his origin. He has also added a chapter at the end on the Cromwells in America. The book, which has been revised throughout and very much condensed, now presents the history of the family from the fourteenth to the nineteenth century. It may seem proper, but almost unnecessary, for the editor to say that he does not agree with the sentiments of the late Mr. Waylen upon very many subjects.
