Children:The Challenge gives the key to parents who seek to build trust and love in their families, and raise happier, healthier, and better behaved children. Based on a lifetime of experience with children--their problems, their delights, their challenges--**Dr. Rudolf Dreikurs**, one of America's foremost child psychiatrists presents an easy to follow program that teaches parents how to cope with the common childhood problems that occur from toddler through preteen years. This warm and reassuring reference helps parents to understand their children's actions better, giving them the guidance necessary to discipline lovingly and effectively.
