Choosing Outcomes and Accommodations for Children (COACH): A Guide to Educational Planning for Students with Disabilities, Second Edition Michael F. Giangreco, Chigee J., Ph.D. Cloninger, Virginia Salce Iverson

Substantially revised in response to research and consumer feedback, the second edition of this flexible planning tool is more user-friendly, family oriented, and focused on life outcomes such as social relationships and participation in typical home, school, and community activities.

This updated format makes COACH easier to use; it features redesigned forms; more detailed explanations; explicit instructions on "purpose," "directions," "materials needed," and "helpful hints" for each step; and tabs and icons that make information easy to find. Using the established and field-tested methods of COACH, special and general educators, related services providers, and school administrators can collaborate with families and work toward developing a meaningful IEP for each student.
