Gawain and Ragnell: A Pendragon Chronicles Short Story (The Pendragon Chronicles Book 3) Ruth Nestvold

Gawain was not only Arthur's champion, he was the champion of the ladies as well. He loved many women, but none too much -- until one of his lovers told him she intended to marry another man.

Now, a year later, he is running away from his disappointment, traveling north to fight against a mysterious warrior who has taken the hill-fort of the lady Ragnell.

But there is a mystery to Ragnell too, the beauty with the ravaged face. And Gawain learns he must solve both mysteries, that of the warrior and that of the lady ...

Publisher's note: Gawain and Ragnell is an expanded version of an episode in Shadow of Stone, the second book in the best-selling Arthurian fantasy series, "The Pendragon Chronicles." Readers who have read Shadow of Stone will already be familiar with the story. The ebook includes an excerpt from the first book in the series, YSEULT.

"Gawain and Ragnell" is a short story of approximately 17,000 words, or 65 pages.

What readers are saying about The Pendragon Chronicles:

- "This book is simply Epic! Not only for the length of it (came as a shock after reading novellas for a while!) but also for the amount of history, information and detail given." Review of "Yseult" by Marissa.
- "For those who like a strong historical component in their historical fiction. Yseult is fully realized as an Irish princess, with a component of "powers" totally appropriate to the myths of Ireland and Arthurian tales. This story made even some of the less likely parts of the tale seem not just plausible, but inevitable." Review of "Yseult" by Cary.
- "The book is much more than a love story. It is truly an epic, exploring the conflicts between paganism and Christianity, political maneuvering between the various kings of Britain and Ireland, the wars between themselves and with the Saxons, and a lot more. It reminded me a bit of The Mists of Avalon, although Yseult was much more fun to read." Review of "Yseult" by Kriti Godey.

Erika Yoon:

As a student exactly feel bored in order to reading. If their teacher inquired them to go to the library or to make summary for some publication, they are complained. Just small students that has reading's spirit or real their leisure activity. They just do what the teacher want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that studying is not important, boring as well as can't see colorful images on there. Yeah, it is for being complicated. Book is very important for you. As we know

that on this period of time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this Gawain and Ragnell: A Pendragon Chronicles Short Story (The Pendragon Chronicles Book 3) can make you feel more interested to read.
