Joshua Book I: Chapters 1-7: Volume 6 of Heavenly Citizens in Earthly Shoes, An Exposition of the Scriptures for Disciples and Young Christians Randy Green

The "Heavenly Citizens" series serves as a tool to help the Christian understand not only what the Bible teaches us, but also how to study the Bible. Explaining what the Bible teaches is like giving someone a fish to eat. Teaching him how to study the Bible is like teaching someone how to fish so he can feed himself. Both approaches are essential to developing spiritual maturity. "Joshua" is the sixth volume in the "Heavenly Citizens" series. In this book Joshua leads the second generation of Israelites across the Jordan River, from the east bank where Moses left them when he was promoted to eternity, to the west bank where they conquered the land of Canaan and divided it up to the twelve tribes as their inheritance from the Lord. The approach for "Joshua" and for every volume in the "Heavenly Citizens" series is to teach the student the meaning of Scripture. We also teach him or her how to study the Bible on his/her own. We do this in two ways: we provide a few rules by which to govern our Bible study, and we demonstrate by example how to study the Bible. Experience is an outstanding teacher. We practice in our books the rules for Bible study. By walking through the Bible with us, the reader experiences firsthand what our method of study is like. We believe the student will come out of our studies with both an understanding of the Bible and the ability to truthfully understand the Bible on his/her own. The path lies before you. Walk through the gate and join the journey with us! And may the blessings of the Lord Jesus Christ be yours in abundance.
