Marked Masters (Bodies of Art Mysteries) (Volume 2) Ritter Ames

From USA TODAY bestselling author Ritter Ames...

Laurel Beacham made working solo a habit and a personal success story. The world's leading art recovery expert, she is known for her nerve, instincts, and the ability to do whatever it takes to bring each masterpiece back safely. Museums applaud her while thieves admire the cunning way she operates. No matter the odds against her, she listens to her instinct when challenges mount.

Right now, those instincts are screaming a warning.

Laurel's last job landed her the head position over the London branch of the Beacham Foundation. All well and good, except bringing one case to a close only opened another even bigger one. And more importantly, the new case inextricably connects to Jack Hawkes, a man smart enough to be her equal, but one who keeps her trust meter hovering in the red zone. The pair leap headlong into a plot that gets more dangerous and illusive by the minute. As the bodies and forgeries add up and the clock counts down, will Laurel's skills help her make it out of this job alive?
