This comprehensive review will help pharmacy technicians practice for and successfully pass the PTCB exam. Content follows the PTCB outline: Assisting the Pharmacist in Serving Patients, Maintaining the Medication & Inventory Control, and Participating in the Administration and Management of Pharmacy Practice. A section on test-taking skills, as well as four practice exams with 140 multiple-choice questions each, provides helpful information and additional practice. Competencies are included for each section, as well as multiple-choice review questions with answers and rationales. An accompanying CD-ROM includes six practice exams and over 400 flashcards.

- Mirrors the organization of the most current PTCB Certification Examination.
- Integrates narrative competencies into each subsection to address the PTCB established competencies.
- Includes four practice exams containing 140 questions with answers and rationales.
- Supplies multiple-choice review questions at the end of every chapter - totaling over 1,000.
- Contains an interactive CD-ROM that includes 4 practice exams from the book, 2 more practice exams with 280 additional multiple-choice questions, and over 400 flashcards categorized by generic/brand names, calculations, pharmacy law, abbreviations, indications, and nomenclature.
