Women of Courage Margaret Truman

In this unforgettable, award-winning book, New York Times bestselling author Margaret Truman profiles twelve remarkable women, some famous, others little known. They range from a United States senator to a Native American to a first lady. Most wore bonnets and long skirts; few had college degrees; and only a handful stepped into a voting booth. But these women spoke the same language as their sisters today. Truman's look into the past pays tribute to the courage of American women from the Revolution to the present.
