Communicate! (with CD-ROM and InfoTrac) Rudolph F. Verderber, Kathleen S. Verderber

This market-leading text is continually praised by reviewers for its clear, practical, and successful method of training students to master the skills of human communication. This introductory human communication text covers interpersonal communication, small group communication, and public speaking. With a consistent model of theoretical explanation followed by numerous practical examples, activities, sample visual scenarios and speeches, self-assessment, and review, students cannot help but to become ethical, competent communicators in our mediated world.
