Dracula (Everyman's Library (Cloth))

Bram Stoker

Dracula (Everyman's Library (Cloth)) Bram Stoker

Since its publication in 1897, *Dracula* has enthralled generation after generation of readers with the same spellbinding power with which Count Dracula entralls his victims. Though Bram Stoker did not invent vampires, and in fact based his character's life-in-death on extensive research in European folklore, his novel elevated the nocturnal creature to iconic stature, spawning a genre of stories and movies that flourishes to this day. But a century of imitations has done nothing to diminish the power of Stoker's tale. As his chilling, suave monster stalks his prey from a crumbling castle in the Carpathian Mountains of Transylvania to an insane asylum in England to the bedrooms of his swooning female victims, the drama is infused with a more and more exquisite measure of sensuality and suspense.

Dracula is a classic of Gothic horror, an undying wellspring of modern mythology, and an irresistible entertainment.
