Finding the Dragon (Dásreach Council) (Volume 1) Josette Reuel

Kai Darrow is a dragon shifter and the next leader of the Dásreach Council – that is if he and the other twelve members of the Thirteen can find their mates. Years of frustration push Kai to take action and with a little luck and finesse maybe he can find the woman of his destiny. Alvena Anderson prefers books over people, yet she still craves love and adventure. In a rut, a trip with her Book Worm friends is just what she needs – until unexplained accidents, a Psychic reading, and a tattooed hottie from the plane make her want to run home. Unbeknownst to the Thirteen a darkness is working against them, preventing possible mates from coming into contact with them. Working in the shadows and using human pawns, the darkness has set its sights on Alvena and her friends. Can she accept her real life hero before it's too late?
