James Bond Boxed Set 5 John Gardner

Before Sebastian Faulks and before Jeffrey Deaver, acclaimed thriller writer John Gardner revitalised Bond's literary life in a bestselling series that contained all the hallmarks of Ian Fleming's classic thrillers, while weaving in modern weaponry, technology and tradecraft. This is a highly collectable, covetable first edition collection, designed to emphasise the link to the Fleming Bonds. With original artwork from Richard Chopping, the hardback series boxed set includes John Gardner's first five Bond titles. Licence Renewed, For Special Services, Icebreaker, Role of Honour and Nobody Lives Forever
