Samantha Makes Three Cherry Celestia

Samantha moves into a small New York City apartment with three other college students. One is a hot-headed feminist who loves red meat. The other is a Jamaican vegan who keeps to himself. Before Sam's first night in the new digs is through, one little girl-on-girl kiss makes for two burned pork chops and a very naked Jamaican vegan sandwich.

Note: The material in the eBook contains sexually explicit content and is intended for a mature audience only.
