**2nd EDITION**

*Are you interested in exploring the spiritual realm ?*

*Do you want to uncover the mystery surrounding the astral plane ?*

*Do you want to achieve an incredible astral projection experience ?*

Astral Projection Beginner's Guide offers an exclusive look inside the realm of the spiritual world, which is largely unknown to many individuals in today's society. The techniques explained in this book are very clear and doable, requiring no specialized knowledge and no mystic powers. They are techniques that you will find, at face value, too ordinary to believe. Yet once you get to practice them you will clear any doubts you ever had about ordinary people doing extraordinary things. You will be a living testimony that all you need is basic but important knowledge to do what a mystic can do in terms of astral projection.

**In this book you will learn:**

- What Astral Projection entails
- How different astral projection is from an ordinary dream
- How to prepare your body and your environment for astral projection
- The different ways you can learn to project your spiritual energies beyond your body
- The kind of people who can succeed in astral projection
- The best time for planned astral travel
- If there are specific times when you cannot take an astral travel
- And much, much more..
