Finding God in The Lord of the Rings Kurt Bruner, Jim Ware

Considered the most popular books of the 20th century, The Lord of the Rings trilogy is more than a great story. It's a much-needed reminder that Christians are all on an epic quest. In examining the Christian themes in the trilogy, authors Kurt Bruner and Jim Ware find that truth and fiction are not as far apart as they seem. When read in the light of Scripture, Tolkien's trilogy reveals a rich tapestry of redemption, values, and faith against all odds. Insightful reflection notes end each chapter. A great book for personal study, devotional time, or group discussion!
