PTLLS candidates often find it difficult to approach and complete their assessments. This accessible guide begins with an overview of the award, detailing the requirements at Levels Three and Four. It encourages the reader to assess their own competence in the five sections of PTLLS, helping them to better understand how to prepare for their assessments. Detailed guidance on how to demonstrate and evidence competence enables candidates to complete their assessments with confidence. Finally, a chapter on practical assessments covers how both pre-service and in-service candidates can prepare for the Microteach, and includes hints and tips on how to succeed.
