John Keats

Selected Poetry (Oxford World's Classics) John Keats

This is an entirely new selection of Keats's finest poetry containing all his best known work as well as a sample of less familiar pieces. Keats published three volumes of poetry before his death at age twenty-five of tuberculosis and, while many of his contemporaries were prompt to recognize his greatness, snobbery and political hostility led the Tory press to vilify and patronize him as a "Cockney poet." Financial anxieties and the loss of those he loved most had tried him persistently, yet he dismissed the concept of life as a vale of tears and substituted the concept of a "vale of Soul-making." His poetry and his remarkable letters reveal a spirit of questing vitality and profound understanding and his final volume, which contains the great odes and the unfinished *Hyperion*, attests to an astonishing maturity of power.

About the Series: For over 100 years **Oxford World's Classics** has made available the broadest spectrum of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, voluminous notes to clarify the text, up-to-date bibliographies for further study, and much more.
