## Take Me Off the Cross

Reverend Sunspirit, author of "Take Me Off the Cross," says that the book was not so much written by her as channeled through her, where the mind and ego got out of the way and allowed words to flow. As a dictated work, "Take Me Off the Cross" is a powerful and inspiring message to reform the way we see religion and Jesus Christ. "Christ came to me years ago," writes Sunspirit, and that visitation culminated in her book. The concept of taking Christ off the cross is to relieve humanity of a constant reminder of its sins. "Instead, we are asked to glorify ourselves and celebrate our holiness together." The image of Christ on the cross is, the book says, one perpetrated by people in power rather than driven by any religious significance. At this inflection point in our history, "the transformation from Christ's original teachings is only now coming to Earth." Sunspirit asks men to get in touch with their "femaleness" in order to find balance and harmony, and to reject "selfishly-felt aggression" and greed for money. "If the man does not claim his receptive femaleness, he is lost in imbalance. He ends up being action without the idea..His actions become selfish and serve only himself." "Take Me Off the Cross" also includes moving poems that drive the meaning of chapters home. The poem titled "Divine Devotion," reinforces the message that we need to step into a new, clean, peaceful future, where there is "equality between men and women and between groups of people." It says: "Let us wash each other's feet / In a circle around the Earth, / Cleansing a past of disagreement / Making clean what walks on this Earth." Sunspirit calls for a peaceful coexistence of religions, without the need to convert followers of one faith to another. Soon "people of religions will adopt an All One heart-felt theology." Above all, "Take Me Off the Cross" exalts the universal quality of love; only this "profound love in people will mend the wounds of crucifixion." from Bookwire Review
