Sin trompo de poner (Spanish Edition) paul paniagua

Sin Trompo de Poner es un libro original que atrapa al lector. . . Desde el título, Paul Paniagua nos penetra en un espacio lúdico, inspirado en los juegos de trompos. Para el autor, el texto es una metáfora de la vida. . . Estos textos hiperbreves no se pueden leer con el ceño fruncido, sino con una amplia sonrisa. El autor se inspira en la toalla del baño, a la que denuncia públicamente por ser infiel. Por otro lado, el inodoro sufre y acepta estoicamente su destino. Los textos de Paniagua indagan lo más simple de la humanidad, descubriendo misterios y mirando la vida con una óptica diferente. Así, los escritos de Paul Paniagua, subliman el espíritu, conquistan la alegría, y nos hacen ver la vida con humor y optimismo. Dra. Mara L. García.
