The People CMM: A Framework for Human Capital Management (2nd Edition) Bill Curtis, William E. Hefley, Sally A. Miller

Organizations are now competing in two markets, one for their products and services and one for the talent required to produce or perform them. Success in the former is determined by success in the latter. The ability to compete is directly related to the ability to attract, develop, motivate, organize, and retain the talented people needed to accomplish strategic business objectives.

The People CMM, as documented in this authoritative book, is a framework for human capital management. Broadly adopted by small and large organizations worldwide, it provides proven tools for addressing strategic workforce and critical people issues. It helps organizations:

- Establish workforce practices aligned with current and future business objectives
- Characterize the maturity of workforce practices
- Guide a program of continuous workforce development
- Integrate workforce development with continual process improvement

People CMM®, ***Second Edition***, documents Version 2 of the People CMM and

- Describes practices for each maturity level, with guidance on how to interpret and apply them
- Explains capabilities for workforce development at each maturity level
- Shows how to apply the framework as a workforce assessment standard and a guide in planning and implementing improvement
- Presents case studies to illustrate how the People CMM has lead organizations to effective, repeatable, and lasting success in workforce development

The book is aimed at people responsible for developing and implementing human capital strategies and plans in their organizations, managing or developing the workforce, implementing advanced workforce practices, nurturing teams, and transforming organizational culture. It is especially useful for businesses undergoing critical organizational changes.

From reader reviews:

Charles Barton:

The book The People CMM: A Framework for Human Capital Management (2nd Edition) can give more knowledge and also the precise product information about everything you want. So just why must we leave a good thing like a book The People CMM: A Framework for Human Capital Management (2nd Edition)? A number of you have a different opinion about publication. But one aim that book can give many information for us. It is absolutely right. Right now, try to closer using your book. Knowledge or facts that you take for that, you are able to give for each other; you can share all of these. Book The People CMM: A Framework for Human Capital Management (2nd Edition) has simple shape however, you know: it has great and massive function for you. You can seem the enormous world by start and read a book. So it is very wonderful.

Sandra Lowe:

Nowadays reading books are more than want or need but also be a life style. This reading routine give you lot of advantages. The benefits you got of course the knowledge the rest of the information inside the book that will improve your knowledge and information. The knowledge you get based on what kind of reserve you read, if you want send more knowledge just go with training books but if you want feel happy read one together with theme for entertaining such as comic or novel. The The People CMM: A Framework for Human Capital Management (2nd Edition) is kind of guide which is giving the reader erratic experience.

Annis Blank:

Many people spending their time frame by playing outside along with friends, fun activity using family or just watching TV the entire day. You can have new activity to invest your whole day by reading a book. Ugh, think reading a book really can hard because you have to accept the book everywhere? It all right you can have the e-book, getting everywhere you want in your Smartphone. Like The People CMM: A Framework for Human Capital Management (2nd Edition) which is finding the e-book version. So , why not try out this book? Let's observe.

Sandra Fritz:

As a college student exactly feel bored for you to reading. If their teacher requested them to go to the library or make summary for some publication, they are complained. Just minor students that has reading's spirit or real their leisure activity. They just do what the trainer want, like asked to the library. They go to there but nothing reading seriously. Any students feel that reading through is not important, boring and also can't see colorful photos on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this The People CMM: A Framework for Human Capital Management (2nd Edition) can make you truly feel more interested to read.
