Advanced Therapy in Facial Plastic & Reconstructive Surgery

J. Regan Thomas

Advanced Therapy in Facial Plastic & Reconstructive Surgery J. Regan Thomas

67 chapters covering the full spectrum of facial plastic and reconstructive surgery each written by a nationally recognized facial plastic surgeon detailing their own clinical techniques and practices. Each chapter is generously illustrated with superb clinical and surgical photos and numerous detailed case study photos. This text will be of great value to both experienced surgeons and as a teaching tool for resident level physicians. Comprehensive coverage of the following sections: Fundamentals -- including wound healing, anatomy and physiology of the skin, clinical photography, suture materials and techniques, facial incisions/excisions and anesthesia. Correction of Congenital Abnormalities. Aesthetic and Functional Rhinoplasty -- 13 chapters including the Asian nose and African-American Nose. Facial Aesthetic Surgery -- all cosmetic procedures with the latest techniques in Hair Restoration. Adjunctive Aesthetic Facial Techniques --including laser, dermabrasion, chemical peels, and injections. Reconstructive Surgery melanomas, cutaneous malignancies, nasal defects, keloid scars, tissue expansion, skin grafts, flaps, and scar revision and camouflage surgery.

From reader reviews:

Eric Graves:

What do you concentrate on book? It is just for students as they are still students or this for all people in the world, what the best subject for that? Just simply you can be answered for that query above. Every person has several personality and hobby for each other. Don't to be pressured someone or something that they don't would like do that. You must know how great in addition to important the book Advanced Therapy in Facial Plastic & Reconstructive Surgery. All type of book could you see on many resources. You can look for the internet methods or other social media.

Floretta Simmons:

What do you regarding book? It is not important along? Or just adding material when you really need something to explain what your own problem? How about your extra time? Or are you busy individual? If you don't have spare time to perform others business, it is make one feel bored faster. And you have free time? What did you do? Every person has many questions above. They need to answer that question due to the fact just their can do that will. It said that about reserve. Book is familiar on every person. Yes, it is right. Because start from on kindergarten until university need that Advanced Therapy in Facial Plastic & Reconstructive Surgery to read.

Keith Karam:

Reading a e-book tends to be new life style in this particular era globalization. With looking at you can get a lot of information that will give you benefit in your life. Having book everyone in this world can share their idea. Books can also inspire a lot of people. A great deal of author can inspire all their reader with their story or their experience. Not only situation that share in the textbooks. But also they write about the knowledge about something that you need case in point. How to get the good score toefl, or how to teach your kids, there are many kinds of book that exist now. The authors in this world always try to improve their ability in writing, they also doing some research before they write to their book. One of them is this Advanced Therapy in Facial Plastic & Reconstructive Surgery.

Ron Taylor:

Your reading sixth sense will not betray you, why because this Advanced Therapy in Facial Plastic & Reconstructive Surgery reserve written by well-known writer who knows well how to make book that can be understand by anyone who all read the book. Written throughout good manner for you, leaking every ideas and composing skill only for eliminate your hunger then you still doubt Advanced Therapy in Facial Plastic & Reconstructive Surgery as good book not merely by the cover but also by content. This is one e-book that can break don't judge book by its deal with, so do you still needing yet another sixth sense to pick this specific!? Oh come on your looking at sixth sense already said so why you have to listening to one more sixth sense.
