Health Reform: Public Success, Private Failure (Routledge Studies in Governance and Change in the Global Era)

Health Reform: Public Success, Private Failure (Routledge Studies in Governance and Change in the Global Era)

Health Reform explores the challenges facing health care provision in the advanced economies. The book exposes the limitations of market-led health reform and demonstrates the indispensable role of a vibrant public authority in the renewal of modern health care systems. Issues covered include:

- * cost-containment and privatisation strategies in an international perspective
- * the role of business and the private sector in setting the agenda for health care reform
- * the restructuring of Anglo-Saxon health systems and the shift in state/market boundaries in Canada, the USA, the UK and Australia
- * the frontier of health care reform in terms of health and social cohesion
- * the role of patient choice in health care reform.
