Japanese for Young People III: Kanji Workbook (Japanese for Young People Series) AJALT

The Association for Japanese-Language Teaching (AJALT), renowned for its *Japanese for Busy People* series, has developed a comprehensive course for teaching Japanese to young adults in English-speaking countries.

Japanese for Young People is a three-level series, designed primarily for middle school and high school curricula (with an optional starter level for elementary students), that encourages systematic Japanese-language acquisition through an enjoyable but structured learning process.

This *Kanji Workbook* is a fully integrated component of the *Japanese for Young People* series for students who want to familiarize themselves with the ninety Chinese characters introduced in the third *Student Book*. Fully illustrated, the *Workbook* uses a combination of traditional writing and reading drills and an entertaining selection of puzzles to facilitate user-friendly study for learners encountering a foreign script for the first time.
