The Cool Side of the Pillow Charles Lytton

Charles Lytton's ability to capture memories from his childhood and enrich them with spellbinding storytelling is back! His first book featured not only tales of growing up along the New River in Southwest Virginia, but recipes that evinced the sights and smells of rural life in the mid 20th century. Readers clamored for more, and in this new book, this professional storyteller is at the top of his game. No recipes, just adventures, and a heartfelt love of the river he calls home.
