The Oxford History of the French Revolution

William Doyle

The Oxford History of the French Revolution William Doyle

This second edition of the most authoritative and comprehensive history of the French Revolution draws on a wealth of new research in order to reassess the greatest of all revolutions. It includes a generous chronology of events and an extended bibliographical essay providing an examination of the historiography of the Revolution. Beginning with the accession of Louis XVI in 1774, leading historian William Doyle traces the history of France through revolution, terror, and counter-terror, to the triumph of Napoleon in 1802, along the way analyzing the impact of these events in France upon the rest of Europe. He explores how a movement which began with optimism and general enthusiasm soon became a tragedy, not only for the ruling orders, but for millions of ordinary people all over Europe who paid the price for the destruction of the old political order and the struggle to establish a new one. Highly readable and meticulously researched, The Oxford History of the French Revolution will provide new insight into one of the most important events in European history.
