Would You Rather...? for Kids! Justin Heimberg, David Gomberg

The *Would You Rather...* series has become a genuine phenomenon, with books, calendars, board games, a DVD hosted by Howie Mandel, and radio shows. There's even a television show in the works. Showcasing Justin Heimberg and David Gomberg's hilariously absurd propositions, this entry is the first in the series designed specifically for young readers. Featuring new illustrations depicting deranged dilemmas and crazy choices that are sure to stretch budding imaginations, typical entries tap youngsters' penchant for the wacky and the gross. They include "Would you rather...burp the sound of a machine gun or cough the sound of bagpipes?" and "Would you rather...sleep a night on a bed covered in peanut butter or next to a humidifier full of spit? *Would You Rather...? for Kids* is perfect for everyone from reluctant readers to comic book fans to creative and thoughtful bookworms. Playable alone or in a group, it's ideal as well for children who like a good belly laugh or who enjoy playing games.

From reader reviews:

Keith Smith:

What do you think of book? It is just for students because they are still students or that for all people in the world, the actual best subject for that? Just simply you can be answered for that query above. Every person has different personality and hobby for each other. Don't to be pressured someone or something that they don't would like do that. You must know how great in addition to important the book Would You Rather...? for Kids!. All type of book can you see on many resources. You can look for the internet solutions or other social media.

Frank Johnson:

This Would You Rather...? for Kids! is great e-book for you because the content which can be full of information for you who else always deal with world and also have to make decision every minute. This particular book reveal it information accurately using great organize word or we can state no rambling sentences inside it. So if you are read this hurriedly you can have whole details in it. Doesn't mean it only provides you with straight forward sentences but challenging core information with beautiful delivering sentences. Having Would You Rather...? for Kids! in your hand like having the world in your arm, information in it is not ridiculous just one. We can say that no book that offer you world in ten or fifteen minute right but this guide already do that. So , this is certainly good reading book. Hello Mr. and Mrs. hectic do you still doubt that?

Gary Spengler:

Is it an individual who having spare time in that case spend it whole day by watching television programs or just telling lies on the bed? Do you need something totally new? This Would You Rather...? for Kids! can be the answer, oh how comes? It's a book you know. You are so out of date, spending your extra time by reading in this fresh era is common not a nerd activity. So what these ebooks have than the others?

Rachel Haley:

As we know that book is essential thing to add our information for everything. By a book we can know everything we would like. A book is a group of written, printed, illustrated as well as blank sheet. Every year was exactly added. This e-book Would You Rather...? for Kids! was filled concerning science. Spend your time to add your knowledge about your scientific disciplines competence. Some people has different feel when they reading a book. If you know how big advantage of a book, you can feel enjoy to read a guide. In the modern era like at this point, many ways to get book you wanted.
