## **Elmer (Elmer Books)** David McKee

Elmer the elephant is bright-colored patchwork all over. No wonder the other elephants laugh at him! If he were ordinary elephant color, the others might stop laughing. That would make Elmer feel better, wouldn't it? The surprising conclusion of David McKee's comical fable is a celebration of individuality and the power of laughter.

Elmer the elephant, a colorful character because of his patchwork hide and sense of humor, tries to blend in with the herd, but soon realizes that he's happiest just being himself. "McKee's gentle humor and love of irony are in full force in this celebration of individuality and laughter." -- Publisher's Weekly.
